KENYA

THE ULTIMATE CULTURAL EXPERIENCE

FAQs:

Are flights included in this package?

International flights are not included in this package, however, round trip flights from Nairobi to Mombasa are included.

Can I select double occupancy/shared accommodations if I am a solo traveler?

Of course! If you are a solo traveler who wishes to select double occupancy, you will be matched with another solo traveler who is interested in shared accommodations. You will be sent a personality quiz before the trip to match you with a similar traveler.

I selected Single Occupancy. Does this mean I get my own room the entire trip?

If you select "Single Occupancy," you will have your own space in Nairobi and Mombasa. The only time you will share a space is during the 2-night camping experience in Maasai Mara but, let's be honest, do you really want to be by yourself in a tent, in the wild, surrounded by predators for 2 nights (just joking - you're completely safe and the campground is secured by staff 24/7)?

Am I required to get a COVID Vaccine?

Currently, no COVID vaccination is required to travel to Kenya, however, things change often. I will make sure you are aware of any changes prior to the trip.

Are Kids Allowed?

I love the kids but, unfortunately, this trip is specifically for individuals 21+.

When will I get the full Itinerary?

The full detailed itinerary will be sent out 45 days prior to departure and will include all hotel, flight and full itinerary information. You will receive a sample itinerary to give you an idea of what's in store during the trip.

What happens if I cancel?

All deposits are nonrefundable or transferable. All other payments can be refunded according to the refund policy listed in the travel agreement.

How do I book?

Payments can be made on my site: www.karinaworldwide.com

Can I set up a payment plan?

Yes there is already a payment plan in place however it can be altered to your desired dates and amounts.

How do I find the information for the trip?

Once your \$375 deposit is made, you will be given access to a Travelers Only page where all information will be uploaded. You will also be added to a group chat 45 days before departure.

Are the COVID tests included?

Though the initial required PCR test to enter Kenya is not included, the COVID test to return to your final destination is included in your price and is completed by an official physician in Kenya (if it is required).

What do I need to bring?

A helpful checklist will be provided to you 60 days before the trip so you can begin to prepare for this experience of a lifetime.

Is travel insurance included?

Travel insurance is not included but is strongly recommended.

How many people will be on the trip?

To ensure this trip is truly an experience for all travelers, the max amount is 12 people.
